Well, I sent the information to the Tribes that Michael had sent to me. I did not get any responses from Tribes. We should still keep them in the loop and as you develop your final Proposed Plan, we need to send to Tribes so they have that and can provide comments.

This is not considered official consultation. Official Consultation involves having Rick Karl meet with the Tribal leadership and consult on site issues before making a decision on the site. Due to timing and since Tribes did not respond, we just informed them of status of the site.

Please send the Proposed Plan so I can forward to them.

Subject: Allied Tribal Consult

Rosita,
I'm trying to close the loop on all things related to the Allied Landfill proposed plan before the comment period starts next week.

Can you let me know the status of the tribal consult for this site?

Thanks,
Kathy
